In a combination of client standards and changes, you can choose from a large number of high-quality and luxurious faucets, toilets, sinks and bathtubs for your apartment

The standard of the project is the sinks made to order for this project. When choosing ceramics from dimensions 120x60, we will make you a designer sink and wash basin

All supplied products belong to the Galeria Espana brand and are of the highest quality

The main pride of the project are the large-format tiles 3x1m, for which you can choose the color together with a specialist directly in the showroom and match the color of the batteries to them
